The screenshot shows the PayPal mobile app interface. At the top, there is a dark blue navigation bar with the PayPal logo on the left and several menu items: Dashboard, Finances, Send and Request (highlighted with a red oval), Deals, Wallet, and Activity. Below this bar, there are three sub-menu options: Send (highlighted with a blue underline), Request, and Contacts. The main content area is titled 'Send money' and contains a text input field with the placeholder text 'Name, @username, email, or mobile'. Below the input field is a light blue 'Next' button.

5. Enter email address: [payment@suburbantransit.org](mailto:payment@suburbantransit.org).

6. Enter amount you would like to add to your TransNet account.

The screenshot shows a user interface for a TransNet account. At the top left is a teal circular profile icon with a white person silhouette. To its right is the email address "swelsh68@gmail.com". Below this, the balance is displayed as "\$ 0.00" with a vertical cursor to the right. Underneath the balance is a rounded rectangular button with the text "USD" and a downward-pointing chevron. At the bottom of the screen, there is a horizontal line. Below the line, on the left, is the text "Add a note" with a pencil icon. On the right is a gift icon.

7. Click "continue."

8. You will receive a confirmation that funds have been sent.

9. Your funds will added to your TransNet account.

At TransNet, we refer to this as the Diminishing Balance feature. We automatically deduct the appropriate funds each time you ride with us and, when your balance gets low, a TransNet representative will contact you so that you can replenish your account.

**Consumers who take advantage of this feature will no longer need to carry cash! It's very convenient and easy to use. If you have additional questions, please give us a call at (215) 542-7433 or email [ride@suburbantransit.org](mailto:ride@suburbantransit.org).**
